March 29, 2011

Dear Chris and the staff from Cirque du Jour,

We would like to take this opportunity to thank you and your staff for another exceptional job at this year's South Country circus. For the past three years, you and your team of professionals have delivered a dynamite circus experience for all of our fifth grade students. Our parents, administrators, staff, and students all gave rave reviews after this year's outstanding performance.

As usual, your professionalism and passion for teaching circus arts and working with young children is remarkable and it is apparent during each day's preparation for the show. We also appreciate your willingness to share our ideas and graciously work with our entire student body while creating a safe, fun and enjoyable learning environment.

We truly enjoy having Cirque du Jour come in to compliment our physical education curriculum. With your assistance, our student's circus arts skills reach new heights each year and we look forward to the new and innovative challenges you will bring to our students.

Thank you for helping us "Walk the Red Carpet" this year and for providing our students with an experience that will last a lifetime!

Sincerely,

South Country Physical Education Department
Jenn Dobbs
Gina Lettiere
Finola Schmidt
