To Whom It May Concern:

We are a K-5 elementary school in Holtsville, NY, while visiting a cultural arts showcase four years ago my children were fascinated with the talents of, *Cirque du Jour*. I felt this would be a great program for our students' during their physical activity classes. Four years later our teachers' and gym teachers' still praise the efforts and expertise of *Cirque du Jour* and their company. *Cirque du Jour* has been a breath of fresh air with a whole new spin on the circus. Our student's look forward to the, *Cirque du Jour* team as soon as the school doors open in September to instruct them and help bring out talents many did not know they had. With great pleasure our school has once again booked this team of professional experts to bring the circus to the students of Tamarac Elementary School.

Warm Regards,
Barbara Mieczkowski (Cultural Arts Chairperson)
